# Dr. Rudy and Rhonda Kachmann

**Dr. Rudy and Rhonda Kachmann**

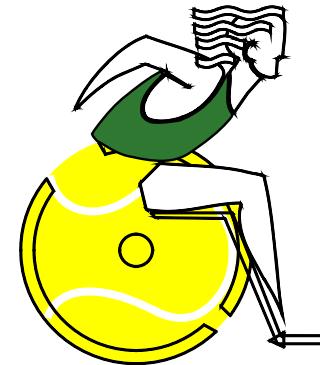

For nearly 40 years Dr. Rudy Kachmann has been a practicing neurosurgeon, literally healing the minds and bodies of those he treats. He has also been a long-time supporter of the community, dividing his time and efforts among many interests, including, the Day Break Children's Shelter where he is on the Board of Directors, the Boys and Girls Club, the Unity Youth Choir, Turnstone Center for Disabled Children and Adults; and WFWA-PBS 39. He has been active in other ways, too, including as founder of the Kachmann Behavioral Foundation, and co-founder of the Kachmann Mind Body Institute. Dr. Kachmann is also recognized as a terrific tennis player and member of the Fort Wayne Tennis Hall of Fame.

Rhonda Kachmann has been involved in community issues for more than 20 years, serving both former Mayors Moses and Helmke on various commissions and as one of Fort Wayne's representatives to the National Leadership Conference. Mrs. Kachmann is a lifetime member of the Purdue University President's Council and is a sustaining member of the YWCA Circle of Women. She is a member of the Board of Directors at WFWA-PBS 39 and the Fort Wayne Philharmonic. While in college at Indiana University, Mrs. Kachmann was heavily involved in programs for underprivileged and autistic children and music programs. Her devotion to those programs continues today with her total support for advancement of the arts, for programs designed to help children in need, and to give voice to victims in our community.
