Report of Independent Auditors

The Board of Directors
Turnstone Center for Children and Adults with Disabilities, Inc.

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Turnstone Center for Children and Adults with Disabilities, Inc. and affiliates, which comprise the consolidated statements of financial position as of June 30, 2016 and 2015, and the related statements of activities and changes in net assets, functional expenses, program and supporting services expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Turnstone Center for Children and Adults with Disabilities, Inc. and affiliates as of June 30, 2016 and 2015, and the results of their operations, changes in their net assets, and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Notes to Consolidated Financial Statements

June 30, 2016

1. Organization

Since 1943, Turnstone Center for Children and Adults with Disabilities, Inc. (Turnstone) has continually evolved and expanded to respond to the needs and desires of people with disabilities and their families throughout northeast Indiana. Turnstone's mission is to provide therapeutic, educational, wellness, sport and recreational programs to empower people with disabilities. Turnstone is the only not-for-profit organization in the region that provides a full range of rehabilitative, wellness, athletic and recreational programs, and facilities to persons with disabilities and their families; a population whose needs are underserved.

Annually, Turnstone serves approximately 2,600 children and adults. During the year ended June 30, 2016, Turnstone provided approximately 50,000 hours of childcare, preschool, and adult day services and 33,000 hours of speech, fitness, physical, occupational, and aquatics therapy. Turnstone loaned 297 pieces of equipment, such as walkers and wheelchairs, to persons at no charge. Working with community volunteers, Turnstone also constructed 16 residential ramps, helping persons with physical disabilities regain their independence and mobility.

Of the individuals who benefit from Turnstone's programs and services, the majority received services at a reduced rate. Turnstone is the only organization in northeast Indiana that provides therapeutic services on a sliding fee scale to persons with physical disabilities. Turnstone creates possibilities.

Turnstone's "Big Dream Project" (Project) expanded the sports, recreation, and wellness programming for people with disabilities by adding more than 125,000 square feet to its facility. The Turnstone of Tomorrow—The Plassman Athletic Center—houses 4 collegiate-sized basketball courts and a 230 meter six lane track with long jump and pole vault pit, area for shot put and high jump equipment. The Plassman Athletic Center also has fieldhouse spectator capacity for 1,700 people; a concession stand and bistro seating area; nine administrative offices, three conference rooms, a 5,000 square foot fitness center with three group exercise rooms and an elite athlete fitness area; a large warm water therapy pool with zero-depth entry, chair lift, transfer wall, and stairs; and fully accessible bathrooms, locker rooms, and showers.

The Project increased the capacity to assist more people and helped Turnstone become one of only ten Gold Level Paralympic Sport Clubs in the United States. The USA Men's Paralympic Goalball Team has trained at Turnstone since October 2015. Turnstone hopes to be designated a national Paralympic Training Site by the U.S. Olympic Committee.

1. Organization (continued)

Turnstone Properties, LLC (Turnstone Properties), a not-for-profit corporation organized pursuant to the laws of Indiana, was established to purchase and make improvements to certain property located next to Turnstone's facilities. Turnstone is the sole corporate member of and holds a 100 percent interest in Turnstone Properties.

Turnstone is the sole corporate member of and holds 100 percent interest in Turnstone Fieldhouse, LLC (Turnstone Fieldhouse). Turnstone is a member of and holds a 85 percent interest in Turnstone Leverage Lender, LLC (Turnstone Leverage Lender). Turnstone Fieldhouse and Turnstone Leverage Lender, limited liability companies organized under the laws of Indiana, were established in conjunction with obtaining new market tax credits (see *Note 11*). Turnstone Fieldhouse conveyed, for public purpose to the City of Fort Wayne, the real estate and improvements representing the Livingston Avenue extension portion of the Project.

Turnstone is a nonprofit voluntary health and welfare organization, exempt from income tax under Section 501(c)(3) of the Internal Revenue Code, and qualifies for the 50 percent charitable contributions deduction limitation. Turnstone has been classified as an organization that is not a private foundation under Section 509(a) of the Internal Revenue Code. Management believes Turnstone is no longer subject to examination by tax authorities for years before June 30, 2013.

The aforementioned LLCs are limited liability companies and, as such, are treated as pass-through entities for income tax purposes. No provisions have been made for income taxes as the income tax liability, if any, resides with the member or members. Their net income or loss is allocated among the member or members in accordance with the operating agreements.

Principles of Consolidation and Noncontrolling Interest

The consolidated financial statements include Turnstone Center for Children and Adults with Disabilities, Inc. and its affiliates, Turnstone Properties, LLC; Turnstone Fieldhouse, LLC; and Turnstone Leverage Lender, LLC (collectively Turnstone and affiliates). Significant interorganization accounts and transactions have been eliminated in consolidation.

2. Summary of Significant Accounting Policies

Cash and Cash Equivalents

All highly liquid investments with a maturity of three months or less when purchased are considered to be cash equivalents, excluding money market funds held for investment. All cash and cash equivalents are held at local financial institutions. Turnstone and affiliates periodically have cash and cash equivalents in excess of federally insured limits. Turnstone and affiliates performs periodic evaluations of the relative credit standing of those financial institutions that are considered in Turnstone and affiliates' investment strategy.

Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See *Note 7* for discussion of fair value measurements.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

Net realized and unrealized investment gains or losses are determined by comparison of asset cost, using the specific identification method, to net proceeds received at the time of sale and changes in the difference between market values and cost, respectively.

Turnstone's investment portfolio consists of a diverse mix of investments, without concentration of risk by type, industry, or geographic area, which are managed by professional investment managers in compliance with the investment policy established by the Board of Directors. Investments are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments may occur in the near term and that such changes could materially affect account balances.

Land and Land Improvements, Building, and Equipment

Land and land improvements, building, and equipment are stated at cost or if donated, at fair market value at date of donation, except for land and land improvements, building, and equipment that have been impaired. For impaired assets, the carrying amount is reduced to the

Land and Land Improvements, Building, and Equipment (continued)

estimated fair market value. There were no impaired land and land improvements, building, or equipment assets as of June 30, 2016 or 2015. It is not Turnstone and affiliates' policy to imply time restrictions expiring over the useful life of donated assets. Turnstone and affiliates capitalize fixed assets which cost \$2,000 or more and have a useful life of one year or more. Depreciation is computed by the straight-line method over the following estimated useful lives:

Land improvements	20 years
Building	5-39.5 years
Equipment	5-7 years

Expenses for normal repairs and maintenance are expensed as incurred.

Net Assets

Net assets are allocated to and accounted for based upon the donor's intended purpose. Unrestricted net assets have no donor imposed restrictions placed upon them. In addition, Turnstone has received certain net assets for specific purposes or for later periods of time or after specified dates, and these amounts are reported as temporarily or permanently restricted net assets. Temporarily restricted net assets include amounts whose use is limited by donor imposed stipulations that can be met and removed by actions of Turnstone pursuant to those stipulations, occurrence of a stated event, or passage of a specified time period. When donor imposed restrictions are met, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities and changes in net assets as net assets released from restrictions. Permanently restricted net assets include amounts whose use is limited by donor imposed restrictions which stipulate that resources be maintained permanently, but permits Turnstone to expend part or all of the income derived from the donated assets for either unrestricted or temporarily restricted purposes. Resources arising from the results of operations or assets set aside by the Board of Directors are not considered to be donor restricted.

Revenue and Accounts Receivable

Turnstone recognizes revenue upon delivery of diagnostic and therapeutic services or completion of a special event. Accordingly, funds received for such services or special events, including ticket sales and sponsorships, related to future periods are recorded as deferred income.

Turnstone Center for Children and Adults with Disabilities, Inc.

Notes to Consolidated Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

Revenue and Accounts Receivable (continued)

Turnstone grants credit for its services to persons with disabilities and their families in northeast Indiana and to third-party payers such as Medicaid, Indiana Family & Social Services Administration, commercial insurance companies, health maintenance organizations, and other payers.

Special events include an annual benefit gala, golf outing, casino night, Corvette raffle, and other events. Special event revenue includes the sale of donated items at the annual benefit gala. Special events revenue is presented in the statements of activities and changes in net assets net of direct benefits provided to donors and attendees.

Accounts receivable for services provided and special events are recorded net of allowances for uncollectible accounts which is based on historical collection experience and management's estimate of the losses that will be incurred in the collection of all receivables.

Contributions and Pledges Receivable

Turnstone recognizes gifts of cash or other assets as unrestricted support (revenue) if they are pledged or received without restrictions or stipulations. Contributions are reported as temporarily restricted or permanently restricted support if they are received with donor imposed stipulations that limit their use.

Contributions of assets other than cash are recorded at their fair market value. Contributions of services are recognized as revenue if the services received (a) create or enhance non-financial assets or (b) require specialized skills, are provided by individuals possessing those skills and typically need to be purchased if not provided by donation.

Pledges receivable represent unconditional and legally enforceable promises to give to Turnstone by donors. Conditional pledges received are recognized when the substantial conditions on which they depend are substantially met. Turnstone uses the allowance method to determine uncollectible pledges receivable. The allowance for uncollectible pledges receivable is based on historical collection experience and management's analysis of specific pledges receivable.

Turnstone Center for Children and Adults with Disabilities, Inc.

Notes to Consolidated Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

Government Program Revenue

Government program revenue is recognized as Turnstone performs the contracted services pursuant to grant agreements. Grant revenue is recognized as earned as the eligible expenses are incurred. Grant expenditures are subject to audit and acceptance by the granting agency and, as a result of such audit, adjustments could be required.

Promotion and Publicity and Fundraising Expenses

Promotion and publicity costs are expensed when incurred. Fundraising costs are expensed when incurred or upon completion of the related fundraising event.

Use of Estimates

Preparation of the consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts in the consolidated financial statements and accompanying notes. Actual results could differ from those estimates.

Functional Allocation of Expenses

The cost of providing the program and other activities has been summarized on a functional basis in the accompanying statements of activities and changes in net assets. Accordingly, certain costs have been allocated among the program and supporting services benefited.

Reclassifications

Certain 2015 amounts have been reclassified to conform with the 2016 presentation.

Turnstone Center for Children and Adults with Disabilities, Inc.

Notes to Consolidated Financial Statements (continued)

3. Pledges Receivable

Unconditional promises to give to Turnstone are recorded as pledges receivable at the present value of future cash flows. Turnstone's pledges receivable are as follows:

	June 30	
	2016	2015
Pledges receivable	\$ 3,503,786	\$ 5,081,512
Less unamortized discount	37,765	55,439

One to five years	2,281,072	3,274,775
	<u>\$ 3,463,021</u>	<u>\$ 5,017,763</u>

Turnstone has received an indication of an intention to give in the amount of \$173,990 from the United Way of Allen County. The expected funding is to be used for operations during the fiscal year ended June 30, 2017 and has not been recorded as an asset as of June 30, 2016.

4. Investments

The fair value of investments is as follows:

	June 30	
	2016	2015
Money market funds	\$ 165,571	\$ 78,165
Common stock	946,670	1,046,010

4. Investments (continued)

The composition of investment return recognized in the statements of activities and changes in net assets are as follows:

	Year ended June 30	
	2016	2015
Investment income (loss):		
Interest and dividends	\$ 84,771	\$ 98,526
Net realized gain on investments	45,535	100,374
Net unrealized loss on investments	(140,385)	(83,456)
	(10,079)	115,444
Investment expenses	(13,290)	(14,743)
Net investment income (loss)	\$ (23,369)	\$ 100,701

5. Beneficial Interest in Perpetual Trust

Turnstone has a beneficial interest in a perpetual trust administered by an outside party. Pursuant to the terms of the trust, Turnstone has the irrevocable right to receive income earned on the trust assets in perpetuity, but will never receive the assets held in trust. Distributions from the perpetual trust are recorded as temporarily restricted income based on the donor's restriction. The estimated value of Turnstone's beneficial interest in the perpetual trust was \$466,877 and \$503,564 at June 30, 2016 and 2015, respectively, which represents the fair market value of Turnstone's proportional interest in the trust assets. The change in the estimated value is recorded in permanently restricted net assets as a gain or loss in the beneficial interest in perpetual trust.

**6. Beneficial Interest in Funds Held by the
Community Foundation of Greater Fort Wayne Inc.**

The beneficial interest in the funds held and invested by the Community Foundation of Greater Fort Wayne Inc. (Community Foundation) of \$218,524 and \$229,767 at June 30, 2016 and 2015, respectively, is the result of an agreement whereby Turnstone has transferred assets to the Community Foundation and has specified itself as the beneficiary of the assets. Turnstone may draw up to a certain percent of the value of the assets each year, subject to certain conditions and limitations, but may only obtain a return of the full value of the assets upon consent of the Community Foundation.

Turnstone Center for Children and Adults with Disabilities, Inc.

Notes to Consolidated Financial Statements (continued)

6. Beneficial Interest in Funds Held by the Community Foundation of Greater Fort Wayne Inc. (continued)

Additionally, the Community Foundation holds funds, with a value of \$95,762 and \$102,108 at June 30, 2016 and 2015, respectively, for the benefit of Turnstone for which the Community Foundation has obtained variance power. Turnstone is precluded from recognizing these assets held by the Community Foundation because the donors explicitly granted variance power to the Community Foundation. Accordingly, Turnstone only recognizes its annual grants by the Community Foundation from these funds as contributions.

7. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820 (ASC 820), *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that Turnstone has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2016 and 2015.

Turnstone Center for Children and Adults with Disabilities, Inc.

Notes to Consolidated Financial Statements (continued)

7. Fair Value Measurements (continued)

Money market funds: Valued at quoted market prices in an exchange and active market, which represent the net asset values of shares held by Turnstone at year-end.

Common stock: Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by Turnstone are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by Turnstone are deemed to be actively traded.

Exchange traded funds: Valued at the net asset value (NAV) of shares held by Turnstone at year-end. The NAV is based on the value of the underlying assets owned by the fund, less liabilities, divided by the number of shares outstanding. Exchange traded funds that are publicly traded on major exchanges are valued at the closing price reported on the major market on which the individual securities are traded.

United States Treasury and government agency securities, corporate, and other bonds: Certain United States Treasury and government agency securities, corporate, and other bonds are valued at the closing price reported in the active market in which the obligation or bond is traded. Other United States Treasury and government agency securities, corporate, and other bonds are valued based on yields currently available on comparable securities of issuers with similar credit ratings. When quoted prices are not available for identical or similar obligations or bonds, the obligation or bond is valued under a discounted cash flows approach that maximizes observable inputs, such as current yields of similar instruments, but includes adjustments for certain risks that may not be observable, such as credit and liquidity risks.

Beneficial interest in perpetual trust: Turnstone's proportional interest in the trust assets is valued at the fair market value of the underlying investments as reported by the investment manager at year-end.

Beneficial interest in funds held by the Community Foundation of Greater Fort Wayne Inc.: Valued at the fair market value of the underlying investments as reported by the Community Foundation of Greater Fort Wayne Inc. at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Turnstone believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

8. Endowment Funds

ASC 958, *Not-for-Profit Entities*, requires certain net asset classification changes for institutional endowment funds under Uniform Prudent Management of Institutional Funds Act (UPMIFA). The Indiana General Assembly has adopted UPMIFA.

Turnstone may hold donor restricted endowment funds where the gift instrument clearly stipulates that Turnstone is not to spend the principal or some other portion of the gift, in which case such gift instrument will supersede Turnstone's ability to spend the whole fund. ASC 958 requires the classification of a portion of a donor restricted endowment fund of perpetual duration to be classified as permanently restricted.

Turnstone Center for Children and Adults with Disabilities, Inc.

Notes to Consolidated Financial Statements (continued)

8. Endowment Funds (continued)

Turnstone's endowment consists of several individual donor-restricted endowment funds and funds designated by the Board of Directors to function as endowments. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Board of Directors of Turnstone has interpreted UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulation to the contrary. As a result of this interpretation, Turnstone classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. In accordance with UPMIFA, Turnstone considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund.
- The purposes of Turnstone and the donor-restricted endowment fund.
- General economic conditions.
- The possible effect of inflation and deflation.
- The expected total return from income and the appreciation (depreciation) of investments.
- Other resources of Turnstone.
- The investment policies of Turnstone.

Endowment net asset composition by type of fund as of June 30, 2016 is as follows:

Return Objectives and Risk Parameters

Turnstone has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the organization must hold in perpetuity as well as board-designated funds. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of certain investment benchmark indices while assuming a moderate level of investment risk.

Notes to Consolidated Financial Statements (continued)

8. Endowment Funds (continued)

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, Turnstone relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). Turnstone targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy

Turnstone's Board of Directors has approved a spending policy whereby distributions from the permanently restricted portion of the endowment fund are determined by the Finance/Investment Committee to the extent they do not reduce the fund balance below the amount of cumulative original contributions. Approval from the Board of Directors is required for distributions of greater than 5 percent of the permanently restricted portion of the endowment funds.

In establishing this policy, Turnstone considered the long-term expected return on its endowment. Accordingly, over the long-term, Turnstone expects the current spending policy to allow its endowment to grow. This is consistent with Turnstone's objective to maintain the purchasing power of the endowment assets held in perpetuity as well as to provide additional real growth through new gifts and investment return.

9. Net Assets

Temporarily restricted net assets are to be used for the following purposes:

	June 30	
	2016	2015

Notes to Consolidated Financial Statements (continued)

10. Debt Arrangements (continued)

Pursuant to a revolving line of credit arrangement (arrangement) dated April 21, 2015 with three banks, Turnstone may borrow up to \$6,000,000 for the aforementioned construction project through June 30, 2016 (draw period) subject to certain collateral value limitations, terms, conditions, and covenants. This arrangement is secured by all business assets and is based on Turnstone's eligible pledges receivable and endowment account. The line of credit bears interest at Turnstone's option based on LIBOR plus 3 percent or base rate plus 2 percent. The base rate is the highest of (i) the prime rate, (ii) the Federal Funds open rate plus .5 percent, and (iii) the Daily LIBOR Rate plus 1 percent. The arrangement is guaranteed by Turnstone Leverage Lender. Turnstone is required to make monthly principal payments in the amount equal to pledge receivables received in the immediately preceding month less the amount that was applied to the payment of interest. Borrowings pursuant to this arrangement were \$3,318,868 and \$1,119,268 at June 30, 2016 and 2015, respectively.

Following the draw period, the arrangement will convert to a non-revolving reducing credit facility. The arrangement expires five years from the end of the draw period. Following the draw period, the commitments under the arrangement will be reduced based on the following amended schedule:

June 30, 2016	\$ 5,500,000
September 30, 2016	5,000,000
March 30, 2017	4,500,000
September 30, 2017	4,000,000
March 30, 2018	3,500,000
September 30, 2018	3,000,000
March 30, 2019	2,500,000
September 30, 2019	2,250,000
March 30, 2020	2,000,000
Maturity date	-

On October 19, 2015, the arrangement was amended to include, after the draw period, a revolving credit facility to Turnstone not to exceed \$350,000. There were no borrowings pursuant this revolving credit facility at June 30, 2016.

The debt arrangements contain customary representations, warranties, covenants, and other terms and conditions.

11. New Markets Tax Credit

In April 2015, Turnstone and affiliates entered into a New Markets Tax Credit (NMTC) financing transaction to fund a portion of the cost of construction of the aforementioned 125,000 square foot addition to its facility (The Plassman Athletic Center) in Fort Wayne, Indiana. The NMTC program was provided for in the Community Renewal Tax Relief Act of 2000 (Act) and is intended to induce capital investment in qualified low-income communities. The Act permits taxpayers to claim credits against their Federal income taxes for up to 39% of qualified investments in the equity of Community Development Entities (CDE). A CDE is a privately managed investment institution that is certified to make qualified low-income community investments (QLICI) loans. The NMTC structure includes Turnstone and affiliates (through Turnstone Leverage Lender), as a leverage lender, and the tax credit investor is PNC New Markets Investment Partners, LLC, an entity formed for purposes of this transaction by PNC Bank, N.A.

In April 2015, PNC New Markets Investments Partners, LLC made a \$3,042,000 capital contribution to Turnstone Investments Fund, LLC, a qualified equity investment fund. At the same time, Turnstone Leverage Lender made a \$7,118,000 leverage loan to the same investment fund. In turn Turnstone Investment Fund, LLC made a \$10,000,000 capital contribution to FWNMRF CDE IV LLC (Sub-CDE I) and PNC CDE 56, LP (Sub-CDE II), each recognized as a qualified community development entity (noted above), or Sub-CDE in this structure. After deducting certain fees associated with the transaction, each made with two QLICI loans to Turnstone Fieldhouse for a combined total of \$9,840,000. In this structure, Turnstone Fieldhouse is designated as a qualified active low-income community benefit entity (QALICB). The notes on these loans bear interest of at a rate of 1.13% and mature in 2045. Interest-only payments due quarterly are made during the first seven years of the notes.

The NMTC is subject to 100% recapture for a period of seven years as provided in the Internal Revenue Code. Turnstone and affiliates are required to be in compliance with various regulations and contractual provisions that apply to the NMTC arrangement. Non-compliance with applicable requirements could result in projected tax benefits not being realized and, therefore, could require Turnstone and affiliates to indemnify the investors for any loss or recapture of NMTCs related to the financing until such time as Turnstone and affiliates obligation to deliver tax benefits is relieved. Turnstone and affiliates do not anticipate any credit recaptures in connection with this arrangement. This transaction includes a put/call provision that becomes effective at the end of the seven year compliance/recapture period. Under the put/call provision, Turnstone and affiliates may be obligated or entitled to purchase the investor's interest in Turnstone Investment Fund, LLC. Turnstone and affiliates believe the investors will exercise the put option in April 2022 at the end of the compliance/recapture period. The value attributed to the put/call provision is de minimis.
