

Turnstone's health and wellness center is a network of people, programs, and services that work together to create and support independence as well as overall health and wellness to our members. The amenities to our health and wellness center include an accessible fitness facility, 230 meter indoor track, warm water therapy pool, and group exercise programs. The programs are planned, coordinated and provided by a fitness specialist. Initial paperwork will be completed before starting any of the listed programs.

To register for a program you must contact Turnstone's receptionist by visiting them at either of our main desks (Peds, ADS, Plassman) or by calling 483-2100. Payment due upon registration.
