Classic Car Raffle Creates Possibilities at Turnstone

Turnstone's Corvette Raffle winner drawn today

Fort Wayne, IN – Rudy & Linda Owens from Monticello, Indiana are the new owners of red-hot 1963 Chevy Corvette, but he is not the only winner in the Annual Turnstone Corvette Raffle. Thousands of children and adults with disabilities will be able to receive vital therapies thanks to the funds raised in this annual event.

Funds raised through Turnstone's Annual Corvette Raffle support Turnstone's comprehensive therapeutic, educational, wellness, sports, and recreation programs.

More than 13,000 tickets were sold worldwide for the raffle, which attracts car enthusiast as well as Turnstone supporters. The classic 'Vette features a soft top, 300 V8 engine, original wheels, and four-speed transmission. In the last 14 years Turnstone has sold \$1.5 million dollars in Corvette Raffle tickets.

Thanks to all who purchased tickets as well as raffle sponsors Auctions America, WANE-TV 15, SweetCars, and Steel Dynamics.

Turnstone's Corvette Raffle operates under Indiana Raffle License #142735.

ABOUT TURNSTONE: Founded in 1943, Turnstone empowers people with disabilities by maximizing their independence. The agency's mission is to provide therapeutic, educational, wellness, sport and recreational programs to empower people with disabilities, and it is the only not-for-profit in the region that offers a full range of programs and facilities designed to meet the unique needs of people with disabilities.
