Learn More about INvestABLE Indiana at this information session

Fort Wayne, IN – Turnstone is hosting an informational session on Tuesday, October 24, 2017 at 6pm in the Plassman Athletic Center Main Conference room at Turnstone.

This will allow people the opportunity to hear more about the INvestABLE Indiana savings plan and ask questions. The presentation will be put on by Amy Corbin from the Indiana ABE Authority.

Before the new INvestABLE Indiana savings plan, people with disabilities who saved more than \$2,000 could lose government benefits. Now, they can use the plan to save \$14,000 a year, and keep \$100,000 in the account if they are receiving SSI or SSDI benefits.

In order to qualify, a person must have the onset of disability before the age of 26 and be receiving Social Security benefits. If they are not receiving Social Security benefits, they may still be eligible if they certify that they are blind or disabled and have a written diagnosis of their condition by a licensed physician

Child care is available at Turnstone but you must contact Kathy Baer at (260) 483-2100 to arrange for the child care.

ABOUT TURNSTONE: Founded in 1943, Turnstone empowers people with disabilities by maximizing their independence. The agency's mission is to provide therapeutic, educational, wellness, sport and recreational programs to empower people with disabilities, and it is the only not-for-profit in the region that offers a full range of programs and facilities designed to meet the unique needs of people with disabilities.
