TURNSTONE REPRESENTS NORTHERN INDIANA IN BRACKETS FOR GOOD CHAMPIONSHIP

FORT WAYNE, IN (*April 4, 2018*) – Turnstone Center for Children and Adults with Disabilities has rallied all the way to the 2018 Indiana Brackets For Good Championship with a chance to win the championship prize of \$10,000 to support the organization’s programs and services. Donations from the community and Turnstone’s supporters have consistently surpassed those of their opponents in the preceding five rounds of the single-elimination bracket-style fundraising tournament.

Turnstone’s Semifinals Community Partner 3Rivers Credit Union helped secure the organization’s championship bid with a matched donation of \$2,500 in support of the organization’s mission and its successful representation of northeast Indiana in the tournament. Turnstone’s final opponent, Golden Retrievers Rescue & Community Education is based out of Indianapolis.

The current championship round of tournament play is currently underway and ends at 8:00pm this Friday, April 6. To score points or check the match-up score, visit <http://Indiana.bfg.org/bracket>

“3Rivers is proud to be a Community Partner teammate in Turnstone’s journey to the Brackets For Good championship,” said Melissa Shaw, 3Rivers Marketing Director. “As a locally-based credit union serving Fort Wayne and northeast Indiana, we are honored to support the only remaining organization outside of Indianapolis still in the running for the championship title.”

As the only not-for-profit organization in northeast Indiana that provides a full range of rehabilitative, educational, wellness, athletic and recreational programs and facilities to people with physical disabilities and their families, Turnstone and its supporters are creating possibilities. The funds raised during the Brackets For Good tournament will be used to support our adaptive sport and recreation programs for youth and adults with disabilities.

“The annual Brackets For Good charitable giving tournament is the perfect opportunity for the community to learn more about Turnstone and support our work through scoring points with their donations or sharing with their friends and family,” said Rena Burden, Chief Development

Officer. “The tournament also pairs well with the excitement of our competitive adaptive sports teams that are also on their way to their respective national championship tournaments in sled hockey and wheelchair basketball this month.”

Indianapolis-based Brackets For Good pairs with corporate and nonprofit sponsors to host online bracket-style fundraising tournaments in philanthropic communities around the United States. Brackets for Good has raised more than \$6.4 million for charitable nonprofits since its 2012 kick-off contest in Indianapolis.

Turnstone was selected from more than 2128 charitable organizations across the country to compete in Brackets For Good 2018 which started Friday, March 2. Participating nonprofits rally enthusiastic donors to out-fundraise their opponents in order to advance. Through the excitement, localized marketing and corporate involvement, nonprofits earn increased exposure, gain access to free fundraising tools, and are introduced to new donors. Dollars from donors translate to points, giving participants the opportunity to advance in each market’s bracket. Competing nonprofits keep donations received during tournament play, no matter how many rounds they advance. The winning organization in each tournament receives an additional championship grant.
